Attn: Susan Linner

Dear Dianne:

The Division has evaluated Genwall Coal Company's February 11, 1985, new permit application for Tract 2, for a Mining and Reclamation Plan at the Crandall Canyon mine. Since Tract 2 will be accessed through existing facilities and no new surface disturbance is anticipated, we have no concerns at this time.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

William H. Geer
Director
